SUBJECT: Vice Enforcement Area of Operations

This is a written follow-up to our conversation on June 2, 2004 informing you of the Director's order in regards to Vice Enforcement Unit operations. On June 1, 2004, Police Director Santiago said that he doesn't want "to see any ***** search warrants for any area but the NEST areas." The VEU shall continue the joint CJ operation, but shall only be in the NEST areas until the order changes or NEST ceases in October. Current active investigations and drug activity reports are to be forwarded to Mercer County SIU.
